

Personal Bags for Women's Shelter

Collect these items during the year from Ward members, or collect all at once and assemble the bags (large zip lock bags will do). Once bags are complete, deliver to local women's shelter or to Police station (they will know where to take them). You may want to call around to be sure of where the best place would be to deliver these.

January - Toothbrush and toothbrush holder

February - Toothpaste

March - Bar of soap and travel soap holder

April - Bath puff or washcloth

May - Bath beads or bubble bath
